

# KALAMAZOO RIVER WATERSHED COUNCIL

## Membership

### About Us

The Kalamazoo River Watershed Council (KRWC) was established in 1993 as the Kalamazoo River Public Advisory Council, and operates as a 501(c)3 non-profit environmental organization.

### Mission

To restore and protect the health of the Kalamazoo River, its tributaries, and its watershed by collaborating with the community, government agencies, local officials, and businesses.

### Why support us?

For more than 25 years the Kalamazoo River Watershed Council has provided opportunities for citizens, schools, governments, businesses and other community groups to get involved and active in ensuring a healthy Kalamazoo River through education, stewardship, and watershed management.

The KRWC is the recognized authority on and advocate for the waters of the Kalamazoo River Watershed.

*Together  
we make a difference!*

### As a member...

Your contribution will be used to support the important programs that KRWC provides to individuals, organizations, and businesses within our watershed, making a difference in your community today and for future generations.

### Automatic Renewal Option

KRWC offers automatic annual renewals to make membership easier. Just check the auto-renewal box when you sign up on our website.

As another support option, you can also make donations through our [River Giver](#) Program. Reoccurring monthly gift options help provide financial stability for our organization and are a great way to increase your contribution without feeling an additional pinch. They can be as little or as much as you like & can be stopped any time.

### By the numbers...

8 counties in the watershed  
130 Miles long (KR Mainstem)  
178 Miles long (KR including the S. Branch)  
2020 sq. miles drain into the KR  
1863 ft<sup>3</sup>/sec is the median flow
