

ALL ABOUT MI WATERSHED

WITH THE KALAMAZOO RIVER
WATERSHED COUNCIL

We all know that water is life, so come explore the ecology of our very own Kalamazoo River Watershed! Learn about the importance of water conservation and how it impacts daily life. Join us for a picture book reading about the Kalamazoo River Watershed, followed by a hand-on activity demonstrating how water moves through our landscapes.

Ages 6-12. No registration required.

JAN. 14 | 6 PM | CARNEGIE ROOM
